Protests upheld DENIAL OF STATE ENGINEER

/deny

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This application is denied on the grounds that there is no unappropriated water in the source, the granting thereof would affect existing water rights, and the granting thereof would not be in the public interest and welfare.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed.....cubic feet per second.....

Work must be prosecuted with reasonable diligence and be completed on or before.....

Proof of completion of work shall be filed before.....

Application of water to beneficial use shall be made on or before.....

Proof of the application of water to beneficial use shall be filed on or before.....

Map in support of proof of beneficial use shall be filed on or before_____

Completion of work filed..... IN TESTIMONY WHEREOF, I, PETER G. MORROS.....

Proof of beneficial use filed.....

my office, this 29th day of MAY
